

OUR PURPOSE:

Tribe of Judah was founded with one purpose in mind... to establish and strengthen young men in life; to teach them the purpose of being a father, husband and a friend. Our Goal is to teach them respect for themselves and others through hands on interaction, events and projects with strong role models. To help them find honor so they may walk with integrity without fear and to understand they're worthy.

The error of youth is to believe that intelligence is a substitute for experience; while the error of age is to believe experience is a substitute for intelligence

When I was a child, I spoke as a child; I understood as a child, I thought as a child: but when I became a man, I put away childish things.

The Christian walk is not a walk of selfish-ness. In fact, it is the exact opposite. Tribe of Judah aims to demonstrate the joy of helping, teaching, and reaching out to those around us. Our transcendent cause is to build leaders in our communities that will lead others to greatness in Christ.
