

Children's Ministry

Core Values and Beliefs

- Children are gifts from God.
- Children can grow in grace and use their spiritual gifts for the Glory of God.
- The church family has a responsibility to fulfill its pledge to nurture and train children in the ways of the Lord.

Our Objective

To collaborate with parents, family members and the church body in instilling a deep-seated desire to:

- Love Christ (Know)
- Live for Christ (Serve)
- Lead others to Christ (Evangelize)

Nursery Class Statement of Purpose:

Our purpose at Faith Evangelistic Center, as Nursery workers is to assist in the spiritual growth of the parents that attend Faith Evangelistic Center by giving them a way to focus on the service they are attending by demonstrating Christ's love in a safe and loving environment as we care for and teach every child that enters the nursery.

General Policies

The Nursery offers classes for the following ages: Infants 6 months up to 3 years old

Classroom Opening Times

Nursery Class opens 20 minutes before Wednesday Evening, Sunday school through Sunday afternoon service.

Note:

- The Nursery class will not accept children 10 minutes after services have begun in order to limit distractions with the children's learning process. There is an exception to first time guests of FEC.

Parental Notes

1. If your child has any allergies, special needs or conditions, please note them at check-in to ensure that your child's teacher is aware.
2. If potty training or trained; please take your child to the restroom or change diaper before you sign them in.
3. It is often beneficial for the parents to expedite the check-in process. This lessens separation anxiety and helps your child adjust to the classroom.
4. To eliminate confusion and crowding in the classrooms and halls, we ask that you refrain from entering the classroom area at check-in.
5. At the completion of service we ask that you promptly pick up your children in order to allow our volunteers to clean up and close the classrooms.
6. For the safety of your child we do not release children to anyone under the age of 18 or not listed on the sign in roster without advance written consent of the Nursery/Preschool director.

Wellness

1. Children must be symptom free from sickness (without medication) for at least 24 hours before entering a classroom.
2. If a child develops any of these symptoms while checked in, the parent will be asked to pick up their child.
3. We are unable to administer medications. If your child requires medication, please make arrangements to personally administer what is required before check-in.
4. Parents of children with allergies requiring the potential use of an EpiPen must supply their own.

Additional Items

1. Please make sure all of your child's belongings are clearly labeled, including diaper bags, cups, bottles, pacifiers, coats, etc.
2. Note: All bottles must be pre-mixed. Nursery workers are NOT allowed to mix formulas. This restriction is for your child's protection.
3. Please leave all toys, dolls and additional accessories at home. These items are easily lost and can often be objects of contention between the children.
4. For the safety of children with food allergies we ask that no snacks be brought from home. A light snack is provided for children who are old enough when necessary.

Non-Attending Parent Policy

Due to the requirements of this age group we do not allow children to be checked into the nursery without a parent or guardian 18 years or older attending services.

Children's Ministry Rules

1. **Respect God:**
Don't do anything that would be displeasing to God. (Examples include throwing trash onto the floor, writing on the tables or running in His house.)
2. **Respect Others:**
No touching of any kind to anyone. No taking or touching things that are not yours. No name calling or tattling.
3. **Respect Yourself:**
Follow the rules and do what is right
